Release and Waiver of Liability:

I, (print name _____, residing at (address) _____, hereby acknowledge and agree to the following:

I am participating in Coastal Consciousness: Igniting a Personal Revolution Retreat by Allison Sobel and Bella Craig (“hosts”), during which I will receive information and instruction concerning matters including yoga, health and general wellness and will participate in a number of activities, including the physical practice of yoga.

I am fully aware that yoga requires physical exertion and I will be responsible for recognizing my own physical limitations, which include but are not limited to, not engaging in any action that feels uncomfortable or painful in any way. I will practice yoga at a pace and effort level that feels safe and appropriate for my own physical condition. I understand that in addition to the physical nature of yoga, it may be mentally and/or emotionally strenuous, resulting in certain unforeseen injuries.

I have previously engaged in some form of yoga practice and understand the nature of activities and the risks involved in my participation. All activities prepared or promoted by hosts will present varying degrees of risk that I take full responsibility to independently evaluate and assume. I will not participate in any activities I believe may cause me harm. I take full responsibility for all physical and mental injuries of any kind that I may suffer, including, without limitation, all muscle injuries, heart-related incidents, damage to physical or mental health, and death caused directly or indirectly by any information, instruction or activities conducted or promoted by hosts or any of their agents or representatives, whether or not resulting from the negligent actions or omissions of the foregoing parties. I fully agree to assume the risk of injury and further

agree to release hosts from any and all liability resulting from the actions of third parties.

I understand that it is my responsibility to consult with a physician prior to and regarding my participation in the Coastal Consciousness: Igniting a Personal Revolution Retreat. I understand that it is the host's policy that all individuals participating in a fitness retreat should consult a physician before participating. I represent and warrant, understanding that the hosts will act in reliance of such, that I am in good physical condition, am physically fit, and I have no medical conditions that would impair my ability, or endanger me in any way whatsoever, from participating in the Retreat and all other activities conducted by or promoted by the hosts, of which I will independently evaluate and assess on a continuing basis.

I will not under any circumstances ingest, consume, or take into my body or on my person drugs or other illegal substances during the Retreat. It is understood that at points during the Retreat I may drink (an) alcoholic beverage(s) under my own discretion and will be fully responsible for my own actions. I take full responsibility for any loss, damage, or theft of any personal property brought to the Retreat, and acknowledge that under no circumstances, including any negligence, will the hosts, or any of their agents or representatives be responsible or liable for my personal property.

I agree to abide by the best practices suggested by the hosts while on the Retreat, and specifically assume the risks inherent in yoga, bodywork, aesthetician services, and ingesting foods that I may not have been previously exposed to. My allergies, medical conditions, other physical conditions, and the like, if any, have been disclosed to the hosts and I assume the risks inherent in exposing myself to a new culture and destination.

I understand that the cost of the Retreat is non-refundable.

I acknowledge that I have had sufficient time and opportunity to thoroughly review the entirety of this Release and Waiver of Liability, understand its contents, and agree to the attestations I have made herein.

I agree that this agreement will be governed by and interpreted in accordance with the laws of the State of Pennsylvania, United States of America.

I agree that the invalidity or unenforceability of any provision of this Release and Waiver of Liability, or any portion thereof, shall not affect the validity or enforceability of the remainder of this agreement.

In view of the entirety of this Release and Waiver of Liability, I hereby agree that I, my assignees, heirs, successors, agents, guardians, and legal representatives will not make a claim against Allison Sobel, Bella Craig, or their employees, agents, or representatives for any injuries, damages, or death, howsoever caused, that I may sustain in connection with my participation in the Retreat.

I further hereby forever release Allison Sobel, Bella Craig, and their employees, agents, and representatives from all actions, demands, claims, and liability or any kind whatsoever that I, my assignees, heirs, successors, agents, guardians, and legal representatives now have or may hereafter have for any injury, damages, or death, howsoever caused, that I may sustain in connection with my participation in the Retreat.
